# Linium

The Linium Suite is a contemporary glass partition system. Designed with a slim, precise profile, it delivers premium aesthetics in any commercial setting. With a 25mm clean slimline reveal, the Linium Suite integrates glass within the partitioning system to maximise the effect of organic lighting. Additional natural light creates the perception of increased space, can enhance focus and creativity, and improve the mood and overall performance of staff.

The Linium Suite is equipped with a heavy duty door frame design capable of accommodating a range of door thicknesses and up to 12.8mm of glass. Engineered with consideration of flexibility and custom versatility, the Linium Suite features additional joinery capabilities to integrate with other suites – including Platinum 90. The Linium Suite is an ideal solution for a seamless balance of open-plan and private areas; connecting spaces with absolute cohesion.

A popular choice with discerning architects and designers, the contemporary style and versatile design of the Linium Suite has been applied in a variety of commercial settings throughout Australia.

## WHY CHOOSE LINIUM?

---

- + **25mm slimline reveal**
- + **Centre, Offset and Double Glazing available**
- + **Simple installation**
- + **Suits up to 12.8mm glass**
- + **Can be used with Platinum and Definium 90 sections**
- + **Acoustic Ratings:**
  - Linium 90 Single Glaze – RW36
  - Linium 90 Double Glaze – RW49

## PRODUCT RANGE

---

**Linium 90**                      Suits 64mm stud and 13mm plasterboard
