SVELTE - L'OREAL MELBOURNE

Svelte

The Svelte Suite is a lithe partition system designed to physically divide without visually separating interior spaces. The Svelte Suite embodies slender elegance and is the slimmest partition system available.

The Svelte Suite will visually blend with the foundations of any design to create a seamlessly expansive space. Characterise a contemporary space by creating a sense of unimpeded openness with the new Svelte Partition System.

With a universal glazing pocket, the Svelte Suite has the smallest reveal possible to comply with the AS1288 glazing code for glass up to 12.8mm thick. The Svelte Suite features offset and double-glazing aluminium frames which can be continued to create infinite design solutions.

WHY CHOOSE SVELTE?
